

LAZARD

Lazard is a preeminent financial advisory and asset management firm. We have been multinational since our founding in 1848. Today we operate in 42 cities across 27 countries.

FINANCIAL ADVISORY

Lazard is the leading global independent advisor offering a wide array of financial advisory services to corporate, partnership, institutional, government, sovereign and individual clients around the world.

Our services include:

- M&A and Strategic Advisory
- Middle Market Advisory
- Capital Markets and Capital Structure Advisory
- Sovereign Advisory
- Restructuring
- Private Fund Advisory

ASSET MANAGEMENT

Lazard is a world-class asset manager providing clients with a broad range of global investment solutions and investment management services in equity and fixed income strategies, alternative investments and private equity funds. Our clients include corporations, public funds, sovereign entities, endowments and foundations, labor union funds, financial intermediaries and private clients. Our investment solutions include traditional and alternative strategies for equity and fixed income securities, in global, multi-regional, local, and emerging market portfolios.

Our Asset Management business includes:

- Lazard Asset Management
- Lazard Frères Gestion
- Private Equity
